

CLUB OFFICERS FOR 200__

Please complete this form and return it to **both** the LV/DVG America Secretary **and** to your KG membership officer as soon as you hold your elections. In the case of a new club, you are to send all forms to your KG membership officer, as listed on the club application form. In the case of a renewing club, send all your rosters, Anmeldung/Abmeldung forms, dues money, etc. to your KG membership officer at renewal time. Since few clubs hold elections before membership renewal time, please send this form to me no later than December 15 of each year or as soon as you hold your elections for the coming year. Please include **membership number, address and phone number** on all officers. If you don't hold elections until later in the year, please fill out the form anyway so I can be sure to have the correct information on your club. PLEASE TYPE!

These are the only officers needed for my list, though you may have others. If you have both corresponding and recording secretaries, please simply list the secretary who should receive information from me. These are the officers Germany needs to know, particularly the President and Training Director, since scorebook applications, trial applications, etc. must be signed by one of these two, and their names must be on file in Germany.

Send this form to **both** your KG Membership Officer and to:
